

## **SUMMER FELLOW: New Heights Summer Camp (3 fellow positions available)**

### **The Hunger Free America Summer Fellows Program**

During the summer, Hunger Free America's Child Nutrition Department places a multitude of fellows across the country at various hunger-fighting institutions with a focus on combatting child hunger during the summertime. Once school lets out, millions of children no longer receive school meals and face tremendous obstacles accessing the Summer Food Service Program, which offers free meals for any child under the age of 18.

Our fellows work with food banks, summer camps, state agencies, and local community groups to find innovative ways to help more children access Summer Meals sites. Our passionate, dedicated, and progressive group of fellows are determined to be an invaluable resource for the resource-strapped non-profits looking to feed children during summer.

### **The Placement Site:** *New Heights Summer Camp – Broken Arrow, OK*

New Heights is an 8 week, 5 days a week, enrichment day camp for neighborhood kids. For a nominal fee families are ensured that their children have a safe and encouraging place to spend the summer while practicing academic skills they have already acquired. Breakfast and lunch are available daily, not only to campers but to any child 18 years and younger that chooses to come for meals.

New Heights is a great place to volunteer. Without volunteers summer camp wouldn't be possible. This is a wonderful opportunity to get to know and serve our neighborhood families.
