

SUMMER FELLOW: Peacemakers of Rocky Mount (2 fellow positions available)

The Hunger Free America Summer Fellows Program

During the summer, Hunger Free America's Child Nutrition Department places a multitude of fellows across the country at various hunger-fighting institutions with a focus on combatting child hunger during the summertime. Once school lets out, millions of children no longer receive school meals and face tremendous obstacles accessing the Summer Food Service Program, which offers free meals for any child under the age of 18.

Our fellows work with food banks, summer camps, state agencies, and local community groups to find innovative ways to help more children access Summer Meals sites. Our passionate, dedicated, and progressive group of fellows are determined to be an invaluable resource for the resource-strapped non-profits looking to feed children during summer.
